THIS WOMAN'S SICKNESS

Quickly Yielded To Lydia E. Pinkham's Vegetable Compound.

Baltimore, Md.—"I am more than glad to tell what Lydia E. Pinkham's Vegetable Compound did for me. I suffered dreadful pains and was very irregular. I became alarmed and sent for Lydia E. Pinkham's Vegetable Compound. I took it regularly until I was without a cramp or pain and felt like another person, and it has now been six months since I took any medicine at all. I hope my little note will assist you in helping other women. I now feel perfectly well and in the best of health."—Mrs. AUGUST W. KONDNER, 1632 Hollins Street, Baltimore, Md.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record of being the most successful remedy for female ills we know of, and thousands of voluntary testimonials on file in the Pinkham laboratory at Lynn, Mass., seem to prove this fact.

For thirty years it has been the standard remedy for female ills, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, tumors, irregularities, etc.

If you want special advice write to Lydia E. Pinkham Medicine Co., (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.
